

# Do Your Kids Love Horses?

Then enroll them in our Fall Riding Program where they can learn to ride and care for horses by qualified adult instructors. Our program includes the following:

- Students are divided into groups by age and ability
- Activities will be based on the level of the student
- Each student is assigned a different horse daily for riding, handling and feeding.
- Each student will learn to groom his or her horse, personally
- Riding lessons are held daily in the morning and in the afternoon.
- Special equipment and aides such as a full sized horse replica will be used for certain demonstrations to make the learning process safe and fun.
- "Hands On" horse activities such as feeding, grooming, tacking, bathing, clipping and wrapping, etc. are done daily.
