

Do Your Kids Love Horses?

Then enroll them in our Summer Riding Program where they can learn to ride and care for horses by qualified adult instructors.

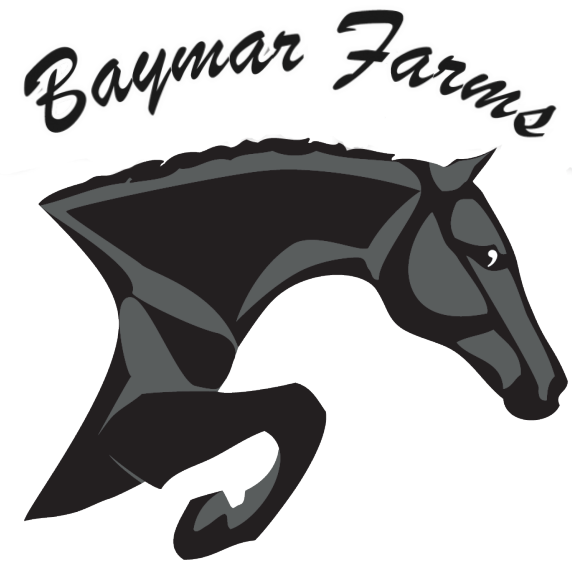

Our program includes the following:

- Students are divided into groups by age and ability.
- Each student is assigned a horse daily.
- Each student will learn to groom his or her horse, personally.
- Riding lessons are held daily in the morning and in the afternoon.
- Activities will be based on the level of the student.
- Hands on horse activities such as feeding, grooming, tacking, bathing, clipping and wrapping, etc.
- Special equipment and aides such as a full sized horse replica will be used for certain demonstrations to make the learning process safe and fun.

Large indoor arena used in inclement weather with air conditioned lounges.
